

CONTACTING THE CLERK'S OFFICE

In an effort to improve telephone service to the public, an automated Voice Mail system has been installed. Calls made on touch-tone telephones are processed more efficiently through this system, while at the same time freeing our staff to perform other duties. Please follow the instructions given by the voice mail attendant.

Callers using rotary phones will be assisted by an operator.

- **Telephone number, Brooklyn Office: (718) 330-2188**
- **Telephone number, Central Islip Office: (631) 712-6200**
